Fort Sutter Office Hours: The Fort Sutter office hours program was created in 2022 to give members a chance to talk with a PECG officer each week to ensure that concerns about union-relevant issues can be documented and better addressed by the union. This has been a highly successful endeavor, particularly in bringing forth issues/concerns from members related to telework policy and return-to-work requirements by departments. These concerns/issues have been shared with PECG Corporate and the Bargaining Team. Fort Sutter plans to continue this program throughout 2023 and will continue to share information with PECG Corporate as issues/concerns arise. Please let us know if you have any suggestions for how we can improve our office hours program to make it more effective.
